The Company:

Oriental Remedies Group (ORG) is a leading patient-centred healthcare provider offering effective treatments grounded in Traditional Chinese Medicine (TCM) and enhanced with medical technology.

We are a modern TCM with a start-up that grew from 5 to 60+ people strong in merely 3 years. Despite the pandemic, we continued with our expansion to provide more patients with quality healthcare. We recently expanded our Jurong East outlet and opened our 3rd outlet at Upper Thomson this year.

Not only were we awarded the Best TCM Clinic of The Year in Asia Pacific by Global Health Asia-Pacific in 2021, but we were also featured during Prime Minister Lee's 2022 May Day Rally speech for our safe and conducive workplace policies.

ORG does things differently; we believe that our employees are the key drivers of the company. We provide our employees with equal opportunities to initiate change and have a say in the work that they do while supporting them with mentors to guide them through challenges.

With Employee Growth in our DNA and our belief that a good life begins with a good company, we hope to grow our team with dynamic talents who are independent workers committed to a growth mindset.

If you think you have the skills to power Oriental Remedies Group's growth, apply now!

Come onboard an exciting journey with us and be part of the best TCM Clinic in Asia Pacific!

We are thrilled to share that with the growing customer base and business; our ORG workfamily is Expanding! Having said that, we are actively looking for a [Clinic Therapist](#) who has a great passion and interest in TCM, who is passionate about helping people by delivering a high level of care to others, and to improve the well-being and quality of life of the people we serve.

Job Responsibilities:

- To perform Electro-Lymphatic Therapy (ELT) to help patients enhance their overall health and wellness. (The experienced senior physicians will provide in-depth training).
- To discuss with the physicians to develop suitable treatment plans for every patient. And to check and dispense medication to patients as prescribed by the physicians.
- To connect with patients, follow-up on patients' treatments, monitor, assess, and journey patients through their recovery process to help the patient achieve the desired results.
- To engage in interactive communications with patients to share and educate patients about the clinic products and services effectively.
- To provide a high standard of customer service to patients.
- To check and dispense medication to patients as prescribed by the physicians.
- To perform the packaging and labelling activities of medications.
- To sanitize and maintain the tidiness and cleanliness of the treatment rooms before and after each treatment.
- To clean up all the equipment used after each treatment.
- To manage and maintain the tidiness and cleanliness of the clinic.
- To perform any other ad hoc duties as assigned from time to time.
